

# Camp Dogwood Packing List

## Important Instructions

**No items shall be shared between Campers and all CDC/ACA Camp Dogwood Summer Academy protocols shall be followed.**

- Let your camper help in packing what they need for camp. Include a list of all articles packed inside their bag so that they have a checklist when packing to go home.
- Pack everything in a low trunk or large suitcase that can fit under a bed. Beds are 14 inches high from the floor. Each camper is assigned a cubby space for their clothes and other belongings. Camper luggage is stored under their bunk.
- Campers are provided three uniforms upon arrival at Camp Dogwood and are required to wear the uniforms throughout the session. Campers are allowed to wear regular clothes for the dance and talent show. Counselors wash the uniforms and other clothes daily.
- **Note:** Telecommunication devices, mP3 players, CD players, personal sports equipment and food are NOT allowed. This encourages campers to be independent and appreciate the camp's offerings. Camp Dogwood is not responsible for lost or damaged belongings brought to camp. **(AD.16.1). Campers who bring their cellphones to camp will not be allowed to come back to camp.**
